Pathway to Doctor of Medicine Degree

“ This program gave me the opportunity to go somewhere new. I also appreciated being able to see how medicine is practiced in the UK as compared to the US and Grenada. ”

Nadia Solomon, MD
Graduation Date: 2019

**SGU has a
network of 75+
affiliated hospitals
and health centers
across the US
and UK**

Students have the opportunity to begin their pathway in **Grenada, the UK, or India**. These routes provide a strong foundation for St. George's University (SGU)'s future MD program students. MD program students have the option of doing **clinical rotations in either the US or the UK** in the last two years of their studies.

Study Locations
