

St. George's University

SCHOOL OF MEDICINE

Grenada, West Indies

Benefits of an Academic Affiliation with St. George's University (SGU)

Founded in 1976 with the goal of drawing the best talent and practices from around the world, SGU has become a leading center for academic excellence worldwide. With students and faculty drawn from more than 150 countries, SGU is truly an international institution, with a uniquely global perspective, perfectly poised to help educate students in this rapidly changing world.

As an institution, you play a vital role in guiding students toward their academic and career goals, and SGU shares this passion for helping students start their journey to becoming a doctor in the US or UK. SGU has over 70 academic affiliations around the world that offer students a strong academic foundation to prepare them for a seamless transition to our four-year Medical Degree (MD) Program, or our five-, six-, or seven-year Medical Degree (MD) Pathways.

Explore the benefits available for institutions looking to become an SGU academic affiliate:

1. **Institutional Benefits**
2. **Counselor Benefits**
3. **Student Benefits**

Largest Provider

of new doctors to the US healthcare system¹

20,000+

School of Medicine Graduates²

100%

of SGU's faculty members with professorial rank have terminal degrees – PhD, MD (or equivalent), or both

Founded as an independent School of Medicine in 1976

SGU's accreditor, the Grenada Medical and Dental Council (GMDC) is recognized by the World Federation of Medical Education (WFME) and the US National Committee on Foreign Medical Education and Accreditation (NCFMEA)

¹ As the medical school graduating the largest number of students annually, SGU places the largest number of graduates into residency programs each year, based on internal SGU graduate/expected graduate and residency placement data as of March 2023.

² Based on the number of students who have completed the Doctor of Medicine program from 1981-2022.

1. Institutional Benefits

Admissions Decision

- Access to accepted student groups and webinars
- Support with financial and visa documents

Travel to Grenada or the UK

- Pre-departure checklists
- Access to "Know Before you Go" webinars
- Accommodation support
- Campus meet and greet support

“What was the application process to SGU like and how did you feel once you were accepted?”

My application process to SGU was seamless. There was always someone to contact for questions, aid, or just reassurance. Once I got the news about my acceptance, I felt that I was about to embark on a new journey that would require hard work, day in and day out, to reach my destination—MD.

Dr. Ahmed Hussein
2022 SGU Graduate
